

SUNNY DAYS OF SAVINGS

Attention Homeowners:

FREE High Efficient Air Conditioner:*
(this is not a misprint)

We have been asked to be the provider and installer of **High Efficiency Equipment** for a new test program. Install a new high efficiency gas furnace and we will replace your existing A/C unit with a new higher efficiency one for free!!!

This program is for a limited time only and eligible for the first 100 people that enroll in the program.

The program is not available for everyone, call to see if you qualify and other details concerning this program.
